

Information on the EU-POP regulation (EC) No. 850/2004 concerning persistent and organic pollutants and subsequent amendments

FATH GmbH Components, Gewerbepark Hügelmühle 31, 91174 Spalt, Germany

We are in close contact with our pre-suppliers in order to gather information on dangerous substances with regard to the POP regulation.

To our current knowledge from the information at hand we assume that our standard products do not contain any of the mentioned substances above the relevant limit values according to the current version of the POP regulation.

Wido Fath
CEO

Spalt, February 2020
